TRUE COMMERCIAL

CS800 RECUMBENT BIKE

Like all TRUE equipment, the CS800 recumbent bike is comfortable, smooth, quiet and durable. The heavy-gauge steel frame ensures unrivaled stability and a sleek yet rugged look on a bike that is virtually maintenance free. Known for its attention to fit and finish, this TRUE bike is protected by scratch-resistant, powder coat paint and durable molded trim.

PREMIUM FEATURES:

- **WALK-THROUGH DESIGN:** Since users don't have to step over the frame to reach the seat, it's perfect for all ages, especially seniors or members who are rehabbing an injury.
- **TRUE HRC (HEART RATE CONTROL)®:** Includes one touch HRC Cruise Control™ which allows the user to "lock in" on a specific target heart rate.
- **SEATED FOR COMFORT:** Ergonomically engineered seat features an infinitely adjustable reclining back.
- **BUILT FOR ENDURANCE:** TRUE offers one of the most comprehensive stationary bike warranties in the industry: lifetime frame, three years on parts and three years labor coverage.
- **PROGRAMMED FOR RESULTS:** Users can choose from a variety of pre-programmed workouts including the new RPM-based Pace Setter™ programs.

15" Touch Screen w/Advanced iPod®:

- Integrated 15" LCD with Touch Screen technology
- Advanced iPod® compatibility allows user to easily watch TV, listen to their personal playlist, while simultaneously monitoring their workout performance
- Scenic landscape perspectives allow users to escape into hundreds of alternating serene views
- Goal-focused interface allows users to easily find numerous workout options
- Easy to use language options at the touch of a button
- 19 Preset Programs, 5 Custom Programs*, 5 Saved Workouts

2 Window LCD w/Basic iPod®:

- Traditional, easy-to-read 2 Window LCD screens display the information most important to your users
- Optional wireless entertainment control
- Basic iPod® compatibility allows users to dock, charge, and change songs
- 7 Preset programs, 3 Custom programs
