

WESTERN PRODUCTS

7777 North 73rd Street, Milwaukee, WI 53223

Website: www.westernplows.com

Dear WESTERN® Customer:

Thank you for your recent Western Products equipment purchase. We appreciate your confidence in Western Products and trust this new equipment will perform to your expectations and satisfaction. We're proud to share our 50-plus year history of manufacturing the finest snow and ice control products in the industry with customers like you.

Register Your Investment

Please take a moment to register your WESTERN product online at www.westernplows.com, or fill out the enclosed product registration form. This helps us better understand the applications of our products while ensuring that your product is registered with us.

Additional Information

For information on accessories or service aids for your new equipment, as well as additional products offered, visit our websites at www.westernplows.com and www.suburbaniteplows.com.

Once again, we're glad to have you as our customer and appreciate your confidence in Western Products.

Sincerely,

Western Products
