TRUE COMMERCIAL

CS500 TREADMILL

The TRUE CS500 was designed for facilities that demand the very best. Precision hand-built craftsmanship, innovative user-centric features and quality components vividly demonstrate our 29-year commitment to making the finest treadmills in the world. Our classic aluminum powder coat finish and matched aluminum straddle covers are a stylish touch to this rugged performer.

PREMIUM FEATURES:

- **SPACE EFFICIENT DESIGN + LOW PROFILE:** Features a low profile frame with an accessible 7" step-up height.
- **POWERFUL DRIVE SYSTEM:** Equipped with a 4hp Endura-Drive motor for flawless smooth operation.
- **TRUE HRC (HEART RATE CONTROL)®:** Includes one touch HRC Cruise Control™ which allows the user to "lock in" on a specific target heart rate.
- **TRUE IMPACT ABSORPTION:** TRUE's patented SOFT System™ offers the most orthopedically correct running surface available.
- **BUILT FOR THE LONG RUN:** Tested for thousands of hours on TRUE's "Treadbuster" and backed accordingly.
- **USER FRIENDLY EXPERIENCE:** Mid-bar control switches put the power literally at your users' fingertips.
- **UNSURPASSED WARRANTY:** Includes deck and belt.

15" Touch Screen:

- Integrated 15" LCD with Touch Screen technology
- Advanced compatibility with your iPod allows users to easily watch TV, listen to their personal playlist, while simultaneously monitoring their workout performance
- Scenic landscape perspectives allow users to escape into hundreds of alternating serene views
- Goal-focused interface allows users to easily find numerous workout options
- Easy to use language options at the touch of a button
- 21 Preset programs, 4 Custom Programs*, 5 Saved Workouts

2-Window LCD:

- Traditional, easy-to-read 2-Window LCD screens display the information most important to your users
- Optional wireless entertainment control
- Basic compatibility with your iPod allows users to dock, charge, and change songs
- 10 Preset programs, 3 Custom

iPod is a trademark of Apple Inc., registered in the U.S. and other countries. "Made for iPod" means that an electronic accessory has been designed to connect specifically to iPod and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards.
