CONDITIONS OF CONTRACT

- It is Purchaser's sole responsibility to comply with all federal, state, and local laws and regulations regarding the use or placement of the Products purchased and to obtain the proper permits. Questions regarding any specific regulation should be addressed to the appropriate government agency.
- All Products and Components carry the manufacturer's warranty, if any, which is passed on to Purchaser according to manufacturer's policy. Extended warranties are available at extra cost. No other warranties are either expressed or implied.
- It is Purchaser's responsibility to unpack, inspect, and test Products upon arrival and report any damage or malfunction within ten (10) days of delivery. Any damage to Products not so reported may not be covered by warranty and is Purchaser's sole responsibility.
- All quotes are subject to supplier price increases.
- Payment terms are BALANCE NET 10 DAYS from date of invoice unless otherwise specified. Finance charges will be applicable at 1.5% per month on past due accounts and also reasonable attorney fees in event of default by either party will be charged.
- U-FUEL, Inc. shall retain ownership of Products until receipt of payment in full for the same. If payment is not received according to the terms, U-FUEL, Inc. shall have the right to come onto the Purchaser's premises at any reasonable time, remove said equipment, and proceed to pursue other existing remedies at law or equity and Purchaser shall be liable for all expenses for removal, storage, and resale including reasonable attorney fees.
- It is Purchaser's responsibility to unload and install Products in accordance with manufacturer's installation and operations instructions using proper equipment and licensed personnel. U-FUEL, Inc. is not responsible for unloading or installation.
- Any alteration or change from original proposed specifications will be executed only upon written orders and will become an extra charge over and above the estimate.
- All delivery dates contingent upon strikes, accidents, or delays beyond U-FUEL, Inc.'s control.
- CANCELLATION POLICY - Customer agrees that U-FUEL, Inc. shall be reimbursed for all out of pocket expenses, restocking fees, shipping, and sales costs upon cancellation.
- Purchaser acknowledges that the performance of the fuel system and/or any accessory can vary significantly from the flow rating of the pump or accessory due to the type and number of valves, joints, length, and size of pipe, hose, filters, and nozzle. Systems are typically quoted in terms of pump flow rating. U-FUEL does not guarantee the performance or sufficiency of any equipment selected to accomplish customer's objectives.
- If Purchaser chooses to use a Leasing Company, Purchaser agrees to all terms and conditions herein and will assume all liabilities of this contract if Leasing Company fails to pay in accordance to terms.
