WE APPRECIATE THE CONFIDENCE THAT YOU HAVE SHOWN IN JOHN DEERE AND ALLENWOOD EQUIPMENT, INC., ALLENWOOD, PA, BY YOUR PURCHASE OF A 401D TRACTOR, PRODUCT IDENTIFICATION NUMBER T0401DE703291.

YOU SHOULD RECORD THE ABOVE NUMBER IN THE OPERATOR'S MANUAL WHICH IS PROVIDED WITH THE MACHINE. THE MANUAL IS MOST IMPORTANT TO YOU IN OBTAINING THE MAXIMUM BENEFITS OF OWNERSHIP. PLEASE READ AND FOLLOW THE RECOMMENDATIONS ON LUBRICANTS, PERIODIC SERVICE INTERVALS, SAFETY, MACHINE OPERATION AND PERFORMANCE.

DURING THE INITIAL 50 TO 100 HOURS OF OPERATION, CERTAIN COMPONENTS BECOME 'SEATED' WITH THEIR RESPECTIVE MATING PARTS. AFTER THIS TIME, AN AFTER-SALES INSPECTION WILL GREATLY ADD TO THE RELIABILITY AND PERFORMANCE OF YOUR MACHINE. YOUR JOHN DEERE DEALER IS PREPARED TO PERFORM THIS INSPECTION AND SERVICE. THIS SERVICE IS PROVIDED WITHOUT COST TO YOU EXCEPT FOR REPLACED MAINTENANCE ITEMS, LUBRICANTS, AND TRANSPORTATION.

THEREFORE, WE REQUEST YOU ADVISE YOUR DEALER AS SOON AS 50 TO 100 HOURS HAVE BEEN ACCUMULATED. THEN, AT A TIME MUTUALLY AGREEABLE, YOUR DEALER WILL ARRANGE FOR THIS INSPECTION AND SERVICE. A REVIEW OF THE OPERATION AND PERIODIC SERVICES WILL BE MADE AT THIS TIME. THIS REVIEW WILL FURTHER ADD TO YOUR SATISFACTION WITH YOUR NEW JOHN DEERE 401D.

TO PROMOTE A BETTER UNDERSTANDING OF JOHN DEERE'S WARRANTY TO YOU, WE HAVE ATTACHED A CERTIFICATE OF WARRANTY AND AN OWNER IDENTIFICATION CARD. SHOULD WARRANTY SERVICE BE REQUIRED, PRESENT THIS CARD TO YOUR JOHN DEERE DEALER. THIS CARD CONTAINS VALUABLE PRODUCT INFORMATION. THIS IDENTIFICATION CARD WILL ALSO BE HONORED BY ANY JOHN DEERE INDUSTRIAL EQUIPMENT DEALER AUTHORIZED TO SELL NEW JOHN DEERE EQUIPMENT OF THE TYPE INVOLVED.
